

Camp Hamilton Range Instructions

In appreciation of KCDOA's support of veterans, Camp Hamilton would like to offer your members free use of our range for rifle and handgun use. Only members that are in good standing with KCDOA are eligible to use the range.

Those KCDOA members shall follow the below listed procedure:

1. Complete the attached forms. Do not fill out the month, date and year section on top of the waiver form. We will continue to use that waiver as long as nothing changes. Every person on the range must fill out a waiver (family members/friends. etc.)
2. Call **661-573-8733** at least 24 hours in advance to reserve the range. The general rule is the range can only be reserved for 1 hour blocks.
3. When using the range, check in with our camp caretaker Tim Hill. Everyone in your party must sign the logbook located in the clubhouse.
4. KCDOA members will need to show their department ID to Mr. Hill.
5. Like with any range, safety rules need to be followed. No alcohol, horse playing, or unsafe acts will be allowed on the range.

If there are any problems, members can call me if they cannot resolve the problem with Mr. Hill or cannot get a hold of him. The KCDOA Board of Directors have my direct phone number should you need it.

I truly appreciate your support of the veterans and the safety KCDOA members provide for my family.

Respectfully,
Todd Dearmore
